

Bead Embroidered Bezel Beginner-Supply List

Cabochon – round or oval shaped cabochon, flat on the back – made of any material (rock, button, clay, etc) - (approx.. 1” diameter)

Seed beads:

choose colors that contrast or compliment your cabachon - I recommend that you buy your beads from a Bead Store and not Joann's, Michael's or A.C. Moore - the quality is not there. We have several Bead Stores in our immediate area that you can visit. If you need help identifying them - please contact me –

size 8 round seed beads - color 1

size 11 round seed beads - color 2 - either contrast or compliment

size 15 round seed beads - color 3 - optional - as contrast/pop color

scissors, fireline or nymo thread, needle

Instructor will supply E6000 glue, backing material and ultra-suede, and thread to match your beads.

A kit with a beading mat, scissors special to this project, a #10 Tulip needle, and directions will be available for \$8
