

Intermediate Beaded Bracelet Supply List

Christy Potter

Cabochons: one oval flat back cabochon no larger than 40mm x 30mm
two round flat back cabochons of a size that will coordinate with the oval cabochon

Seed beads: Round seed beads in sizes 8, 11, and 15
choose colors that contrast or compliment your cabachon - I recommend that you buy your beads from a Bead Store and not Joann's, Michael's or A.C. Moore - the quality is not there. We have several Bead Stores in our immediate area that you can visit. If you need help identifying them - please contact christypotter@comcast.net

fireline, nymo or other beading thread

scissors

beading needles

bead backing that measures about 4"x8" (at least an inch longer than your wrist size)

ultra suede

clasps

Instructor will supply E6000 glue, backing material, thread and ultra suede in limited colors.
Clasps also will be available for sale.

A kit with a beading mat, scissors special to this project, a #10 Tulip needle, and directions will be available for \$8
