

Woven Heart Pendant with Sulie Girardi

Materials Kit: PMC sheet, Art clay silver, toothpicks.
Included in tuition and will be delivered to class.

Required Tools:

Students should bring:

- Basic metal clay set up:
 - clay roller,
 - non stick work surface,
 - 10 playing cards or depth measuring slats,
 - scalpel or Xacto knife,
 - sanding sponges,
 - straight salon boards (nail file) of different grits,
 - release agent (cool slip, olive oil),
 - Brass brush,
 - flat working surface (ex: glazed ceramic tile, teflon sheet).
- Scissors
- Either Art Clay Silver Syringe (preferable) or a small amount of thick paste
- Self-healing cutting mat
- Two cookie cutters of desired shape(s), one 25% smaller than the other allowing for a 4mm space between the two. Largest cookie cutter no larger than 2x2".

Studio will have available to share:

- Drying set-up
- Torch firing set up: butane torch, solder block (or the like), fire tweezers, quench bowl.
- Polishing and finishing tools (patina, steel wool, brass brush or flex shaft/rotary tools)
- Kiln
