

Beginning/Intermediate Silversmithing – Tool and Supply List
Barry Lynn Messino

Materials to bring from home:

1. Fine-tip Permanent Marker (Sharpie Brand)
2. Small Scissors
3. Toothbrush (an old brush is fine)
4. Ruler
5. Sketching Paper & Pencil (scrap paper without lines is fine)
6. *Optional:* a cabochon for which you would like to make a setting
(I can supply a cabochon if you do not have one.)

TOOL KIT

Bring the following tools if you have them. We can supply whatever you do not already have.

1. Short (approximately 5") utility tweezers
2. Cross-lock tweezers with heat resistant handle
3. Solder pick
4. Emery Stick
5. Small Files

METAL

The metal (copper/silver) for your projects will be supplied in class with cost covered by the class materials fee (payable to the instructor).
