

Twinkle Twist Bracelet

Description: In this class we will make a twist and add a twinkle to create stacking bracelets. You will learn to solder, forge and twist sterling silver.

Students are asked to bring the following:

- Heavy duty side cutters

- Chain nose pliers

- Round nose pliers

- Bench pin

- Bracelet mandrel (optional)

- Magnifying glasses and Ott light as needed

Provided by the instructor:

- Soldering stations and tools

- Saws

- Vices, files, saws
