

TITLE: SHIMMERING ENAMEL**Description:**

Add shimmering elements to enamel that will set it apart. In this class you will set stones (colors will vary) and fuse silver elements to torch fired enamel to create more interest and shimmer. Students will have the option to make earrings, pendant or links.

Students are asked to bring the following:

- Chain nose pliers x2
- Side cutters
- #2 paint brush
- 5 pages of any magazine
- Opaque Enamels
- Fine Tweezers
- Magnifying glasses and Ott light *as needed*

Tools will be available for purchase at the class or may be pre-ordered at www.theUrbanbeader.com for delivery to TLS at the workshop. Use coupon code: TLS22 and the shipping will be removed.
