

Supply List for Richard Salley Workshop - Heirloom Silver Locket Summer 2018

Materials fee, payable to the instructor, approximately \$25.

Students will need to bring two half-heart shaped stones (as in the example) which measure about 20mm x 35mm. If they don't want to make a heart shape, then two stones similar in size that can fit together (each stone not larger than 20mm x 35mm).

Basic jewelry making tools will be needed, including round nose, chain nose and flat nose pliers
wire cutters
hand files or needle files
wire cutters
rawhide or nylon mallet
metal shears
jeweler's saw and blades (#3/0 or #2/0)
bench pin,
bench block or anvil,
scribe or fine point Sharpie marker
bezel pusher, bezel rocker or burnisher
safety glasses

OPTIONAL:
miter vise/jig
optivisors or other magnifying aide
photo or copy of a photo for the inside of the locket
